Preface

Welcome to the Teresi family cookbook. This is a curated list of recipes from family, friends, and other sources. Consider it an invitation for collaboration.

This is designed as an ongoing project. It's written in LATEX to separate content from presentation and versioned in Git to track changes over a long period of time.

Said presentation is included below, see recipe_snippet.tex. Future changes to the layout will affect all recipes through the use of environments / commands provided there.

§ 1.1 Spinach Artichoke Quiche

Ø	$45 \ min$	45~min	Mike & Jane
\bigcirc	4 people		Joy of Cooking [23]

A classic dish. We like to serve this as a side along with cardamom rice and have leftovers for breakfast.

1		pie pastry	1		onion, white
5	large	\mathbf{eggs}	3	Tbs	butter
1	C	cream	2	tsp	garlic
2	C	spinach	$^{1/_{4}}$	tsp	salt
3/2	C	Asiago	1/2	tsp	pepper, white
6	fl oz	artichokes	1/2	tsp	marjoram

- **0**. Prepare pastry and chill prior. Preheat oven to 400 F° .
- 1. Slice onion, begin cooking over medium-low heat with a little oil while stirring occasionally.
- 2. Butter pie pan, add pastry, and begin to partially pre-bake (see 17.1). Set aside 1 egg yolk. Immediately brush with egg yolk when removed from oven.
- 3. Meanwhile, measure and set aside remaining ingredients. Roughly chop artichokes & spinach, shred cheese. Grind salt, pepper. Combine remaining eggs, cream.
- 4. Prepare filling. Whisk egg, cream, spices. Add spinach to onions. Add garlic and remaining butter and $cook \approx 1 \ min$.
- 5. Layer into pie: cheese, vegetables, egg mixture. Optionally garnish w/ cayenne \parallel chili flakes \parallel paprika for some pizzazz.
- **6.** Bake at 375 F° for 25 min, broil briefly, rest 10 min.

VARIATIONS

- \$\Gamma\text{This recipe has a lot of leeway. Try cayenne, or a different pepper corn for example. Asiago / artichoke / spinach, or, cheddar / spinach both work well.
- 5) Other milk varieties are available but heavy cream will make the best texture in my humble opinion.

Overnight Oats § 1.2

 $10 \ min$ Mike & Jane 3 12 hrOvernight Oats [12]

A quick breakfast to make ahead on the weekend.

A just green bananaoats (quick | rolled) banana is best. 1/2 C milk ≈ 4 Tbs strawberry jam 1/2 C Greek yogurt Rolled oats

- **0**. Mix oats, milk, yogurt, jam, and sliced banana.
- 1. Refrigerate overnight. Use within 3 days.

VARIATIONS

- S Jane uses honey, replaces banana & jam w/ fresh strawberries.
- So Other jams, peanut butter, granola, chia seeds, etc. are popular.

Egg Muffins **§** 1.3

§ 2.1 Egg Bites

\mathcal{O}	$25 \ min$		1 hr	Mike & Jane
\bigcirc	12 jars	②	1 hr	Sous Vide Egg Bites [19]

These are perfect for a quick and portable breakfast. Jane and I got a sous vide machine for our wedding and tried them as the inaugural recipe since they cook quickly. That and Jane's appreciation for Starbucks Egg Bites. As it turns out there are many egg bite clones available for all tastes.

12	large	\mathbf{eggs}	1/2	C	cream cheese
1	C	Asiago	≈ 3	Tbs	butter
8	oz	${f mushrooms}$	1/4	tsp	salt
6	slices	bacon	12	4 fl oz	canning jars

- **0**. Set the water bath for $172 F^{\circ} / 77.8 C^{\circ}$.
- 1. Grease jar interiors w/ butter || crisco etc.
- 2. Slice mushrooms and begin to sautè w/ dash of salt. Meanwhile slice bacon in half and add. Remove bacon when still slightly chewy, remove mushrooms when well browned.
- 3. Meanwhile, grate the cheese.
- 4. Add bacon & mushrooms to each jar.
- 5. Whisk eggs, cheeses, salt. Add egg mixture to each jar.
- ${f 6}.$ Optionally, add a small pat of butter on top to each jar.
- 7. Add lids to each jar and screw on lightly using only your fingertips. The goal is to allow air to release in order to prevent the jars from shattering in the bath.
- 8. Add jars to water bath and cook for 1 hour. Remove, cool, tighten lids, then refrigerate up to $\approx 1 week$.
- **9.** Reheat by: a) microwave for [1...1.5] min, or b) invert & remove, broil for a few minutes.

VARIATIONS

- $\, \, \Im \,$ Jane likes red pepper, the original recipe was bacon & 1C Gruyere.
- So Many ingredients are available, try spinach / feta, basil, chilis, chorizo, potato, tomatoes, etc.

EXPERIMENTS

 \triangle The cream effects the texture of the eggs: milk produces a smooth consistency, cream is fluffier, cream & cottage cheese (50/50) or cream cheese for in-between.

Greasing the jars is important as the eggs can get stuck.

§ 4.1 Thanksgiving Collard Greens

 $\emptyset \quad 30 \ min$ $\square \quad [2 \dots 6] \ hr$ $\square \quad [4 \dots 6] \ people$

These are similar to southern-style collards in that they are simmered for a long time with meat. Turkey was substituted here for ham as an experiment for thanksgiving, partly due to availability. The stock can also be used to make gravy and can be very flavorful.

Smoked turkey necks works best.

1	lb	collards	2	Tbs	vinegar
2		turkey necks	1	tsp	sugar
6	C	water	1	tsp	pepper
2	Tbs	butter	1	tsp	hot sauce

- **0.** Make stock with turkey necks: cover with cold water, cook over high heat, bring to simmer, skim off foam from surface, reduce to $\approx 180~F^{\circ}$. Simmer for $1\dots 4~hr$.
- 1. Prepare collards greens ($\approx 15~min$ prior to removing turkey necks). Clean & rinse collard greens, cut off the main stem, dice \parallel tear greens (into $\approx 1x1$ " rectangles).
- 2. Remove turkey necks and sieve out undesired particulates.
- **3**. Add greens, simmer $\approx 1 \ hr$ uncovered.
- 4. Meanwhile, remove and dice meat from turkey necks according to your preference. Add to pot.
- 5. Add butter, vinegar, spices, serve.

EXPERIMENTS

- ▲ This was more of a quick experiment, it would be good to find a more traditional recipe.
- ▲ The stock was good but removing the meat was quite labor intensive for Thanksgiving day. This recipe might benefit from making the stock ahead of time and giving it a bit more spices & vegetables.

§ 12.1 Base Brined Hot Sauce

A base hot sauce recipe with whole brined peppers. Select your peppers, spices, and custom additions. Peppers are fermented whole and then pureed rather than mashed prior to fermentation, see "Mixed-Media Basic Mash" [27].

Use uniodized salt to prevent discoloration.

Floating chunks cause

spoilage.

- **0**. Sanitize equipment. Move jar, weight, lid to dish rack to dry.
- 1. Mix a [5...5.3]% brine by weight, $\approx 3/4$ volume of jar.
- 2. Wash produce. Halve peppers, remove stems and seeds.
- 3. Add fermentables to jar. Prevent items from floating; start with smaller pieces, pack tightly, end with cabbage leaf tucked into the sides. Top with fermentation weight.
- 4. Add brine mixture, leaving $\approx 1cm$ of head space. Ensure all ingredients are submerged.
- 5. Add lid and air lock. Ensure air lock is not submerged.
- **6.** Ferment for [1...2] week or up to many months, then refrigerate until ready to purèe.
- 7. Separate brine and ingredients, purèe with $\approx 1/2$ C brine. Strain if desired; recommended if dried peppers are used. Optionally blend Achiote for color.
- 8. Add vinegar or brine to desired consistency, refrigerate.

EXPERIMENTS

- △ Prevent spoilage by keeping ingredients submerged and by not removing the lid (keep it anaerobic). See Fiery Ferments [27], for troubleshooting. In general: you should throw out the batch if you see any fuzzy mold.
- Δ The heat level of the sauce lowers drastically over fermentation.

- **0**. Follow 12.1 Brined Hot Sauce with a 5.3% brine.
- 1. Ferment 2 week, refridgerate 2 week, blend with $^{1}/_{2}$ C brine and white vinegar each, strain.

EXPERIMENTS

- ▲ Look into using xantham gum to keep the emulsion in suspension longer
- △ Consider rinsing / re-hydrating the dried chilies
- ▲ Still needs more heat
- △ Consider adding some cabbage to help fermentation

- Blend vegetables with 1/2 C cup brine, 1/2 C vinegar, for 5 min.
 Strain through a mesh seive, rinse blender, move sauce back to blender.

§ 13.2 Marinade Al Pastor

Shepherd's style tacos features a mix of Mexican & Lebanese spices. The marinade plays a large role in the dish as the meat is sliced very thin. It has a strong red color from the achieve paste and chile.

EXPERIMENTS

VARIATIONS

- Specifically Slice garlic into smaller pieces for a stronger flavor.

EXPERIMENTS

A most excellent brownie recipe. The original was free-form so these instructions are more like guidelines. Try to find your inner muse and capture some of that magic.

- 1 box Betty Crocker Brownie / Cookie combo mix
- 4 Tbs butter
- 4...6 Heath Bars
 marshmallows
 graham crackers
 chocolate chips
 peanut butter
- **0**. Mix up the brownie and cookie mix as instructed on the box.

- 2. Coarsely chop Heath bar and spread evenly over brownie batter.
- 3. Place cookie dough mix on top of Heath bar layer.
- 4. Crush graham crackers and spread over cookie dough.
- **5**. Melt half a stick of butter and pour over graham crackers.
- **6**. If using chocolate chips spread a layer over graham crackers. If using peanut butter melt it and pour over graham cracker.
- 7. Split marshmallows lengthwise and arrange a solid layer over the top of everything. You might also use mini marshmallows to skip cutting them.
- 8. Bake as instructed on brownie box. Time may increase due to the extra layers. Brownies are done when a toothpick comes out clean.

EXPERIMENTS

- ▲ Keep in mind that there really isn't a recipe since I just made it all up as I went along. What you should take from that is this: Feel free to experiment; any problems can be overcome with enough butter and sugar. I'm pretty sure this is also true in life.

$1^{1/2}$	tsp	sugar	$^{1/_{4}}$	C	shortening
1/2	tsp	salt	$^{1/_{4}}$	C	water

- **0.** Cut fat into small pieces ($\approx 3/8$ " cubes), place in freezer briefly along with water until cold.
- 1. Mix flour, sugar, salt, butter, in a large bowl. Blend using a pastry cutter || fork || fingers, until the butter is pea sized. Blend the shortening similarly.
- 2. Add half the water and toss with fork. Add water $\approx 1.5...2$ Tbs at a time, and pull all the flour into the dough. Continue until the dough can be packed together.
- 3. Pack dough into a ball, knead once or twice. Flatten onto a floured surface into $\approx 3/4$ " disks. Wrap in plastic and refrigerate at least 1 hr or overnight.
- Roll pastry onto wax paper, invert onto pan & shape. Freeze for 15 min.
- 5. For a pre-baked crust: preheat to $400 F^{\circ}$, press aluminum foil on top of pastry and fill with pie weights. Bake 15 min, remove foil & weights, prick holes into pastry base with fork to prevent bubbles.
- **6.** Lower to 375 F° , bake 10...12 min for a partially pre-baked crust or 15...17 min for a fully prebaked crust.

§ 17.2 Strawberry Rhubarb Crumb Pie

 \bigcirc 1 $1/2 \ hr$ \square 50 min \square Pie [7] \bigcirc 1 pie

I don't always have favorites but when I do it's pretty close to this pie. Make sure to capitalize on the spring season when rhubarb is available. There is a lot of liquid so I increased the tapioca and maceration time. Make sure to use a deep pan and high crust.

	fi	lling			topping
3	C	rhubarb	3/4	C	flour, all-purpose
3/4	C	sugar	1/4	C	cornmeal, yellow
$1^{1/2}$	Tbs	lemon juice	$^{2}/_{3}$	C	sugar, brown
1	lemon	zest	1/2	tsp	cinnamon
4	C	strawberries	$^{1/_{4}}$	tsp	salt
$^{1/_{2}}$	C	tapioca, quick	1/2	C	butter, unsalted

0. Prepare 17.1 Basic Flaky Pie Pastry and refrigerate $\geq 1 \ hr$.

make a high crust to prevent spills

- 1. Roll pastry onto wax paper \approx 13" diameter, invert onto pie pan and shape. Freeze for 15 min. Preheat oven to 400 F° .
- 2. Prepare filling. Slice rhubarb $\approx 1/2$ " pieces, mix fruit w/ sugar, lemon juice, zest, tapioca. Quarter strawberries and mix in. Macerate for > 15 min.
- **3**. Add filling evenly into crust, bake on center rack 30 min.
- 4. Meanwhile prepare topping. Combine flour, cornmeal, brown sugar, cinnamon, salt. Cut butter into pieces and blend in with food processor or pastry cutter. Make large crumbs by rubbing the mixture between your hands. Refridgerate.
- 5. Remove pie and reduce oven to 375 F° . Add crumbs to top of pie. Rotate pie 180° (to bake evenly) and bake [30...40] min. Add foil heat shield if needed for last $\approx 10 \ min$. Cool $\geq 1 \ hr$.

place a cookie sheet underneath to catch spills

VARIATIONS

5 Try a bit of ground green cardamom in the filling.
